Farewell to Miss Femke

After the May holidays we say goodbye to Miss Femke. She has found a nice new challenge in mental health care and will continue her career there. Of course we are very happy for her, but we will miss her warm presence, dedication and commitment at school.

Wednesday, May 15 is her last working day with us. We would like to put her in the spotlight and say goodbye together with the children and colleagues.

We wish Ms. Femke lots of success and pleasure in her new job!

Message from the parent committee

On Monday, April 7, there was another OC meeting. We would like to share with you what was discussed.

- For the OC it would be nice to have some more parents there.

We are still missing parents of children from the preschool, but parents from other groups are also welcome. Hereby a call: Are you interested? Mail to

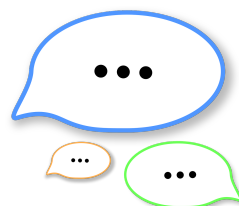

oceglantier@kinderopvangmorgen.nl.

- The departure of Femke and Maxime has been discussed. This is of course very unfortunate and we will miss them very much. As OC we wish Femke and Maxime all the best with their new challenges.

- A new employee has joined us, Hajer.

- In the improvement meter the entire daycare received an average score of 8.4!

- The improvement meter will be completed more often, but all input from parents is welcome.

- The GGD has already approved three of the four groups. The last group is still awaiting the visit.
 - We discussed communication through the parent app. Certainly not negative, but there are some areas for improvement.
 - The plan for new playground equipment in the schoolyards.
- The next OC meeting will be on Monday, June 23, 2025. You are welcome to attend. Do you have any questions or comments? Please email oceglantier@kinderopvangmorgen.nl.
- Greetings,
The Parent Committee Brigitte, Renske and Chantal

Signing in and out: why it's important?

Together we provide a pleasant and well-organized care. An important part of this is signing your child in or out on time. This applies both during holidays at the nursery and the BSO, and on school-free days and study days at the BSO. By knowing in time which children are or are not present, we can better plan our schedules. This helps us to have sufficient and trusted staff in the group, to coordinate activities properly and to provide a safe and pleasant environment for each child.

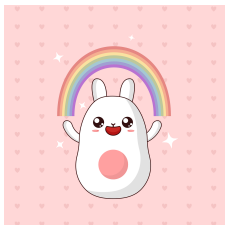

It also prevents surprises in the daily staffing, which benefits the quality of our care. Checking in and out is easy via the parent app Konnect.

BSO May Vacation - Magic & Rainbows!

The May holiday is coming up and at the BSO we are ready for it! We have come up with two super fun theme weeks full of creativity, fun and adventure:

Week 1: Harry Snotter - Enter the magical world of spells, mysterious creatures and crazy experiments!

Week 2: Rainbow - A colorful week full of merriment, glitter and rainbow fun!

And of course that includes an outing!

- The 7+ kids are going to have a blast at Bounce Valley - jumping, climbing and bouncing away!

- The 4-7 year olds will go bowling, including lights, music and of course lots of fun.

Preparations are almost complete and we can't wait to have a fantastic vacation with the children!

Education

Sports Day

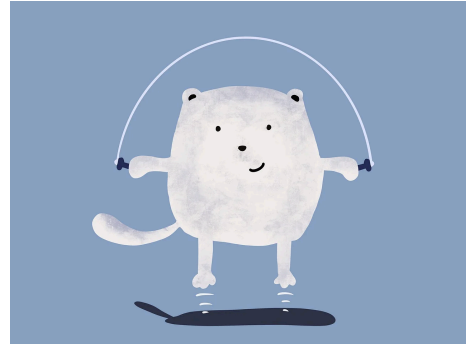

As you know, we will have our field day on Wednesday, May 14. All children are expected at 8:15 that day at Full Speed, Kerkpolderpad 5, 6025 EB. To avoid the reception area becoming crowded and cluttered, please bring your child(ren) up to the gate and say goodbye there.

We expect the parents who have signed up to come and help at 8:10.

At 12.00 the field day is over and you can come back to pick up your child. Those who like it can come a little earlier to get a taste of the atmosphere. From 11.30 the gates are open again.

If you are not picking up your child yourself, please inform the babysitter, BSO, grandparents, etc. that your child needs to be picked up at Full speed.

More information will follow later via Social Schools. Volunteer parents will also receive separate information.

Visit to the Zoo

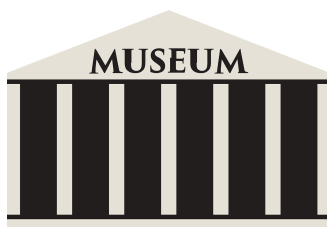

On Friday, April 11, the kindergarteners concluded their "Wild Animals" theme with a visit to Blijdorp Zoo. With three buses we left in the morning towards Blijdorp. The weather was beautiful and the children were looking forward to it.

We enjoyed the animals and of course the children played in the playground. The way back in the bus was a lot quieter.

Tired but satisfied we went back to school. Some children were so tired that they fell asleep on the bus.

Free to pick up

We received a bike seat from a parent. It is no longer used, but it is a waste to throw away. We would like to make someone else happy with it. Can you put the seat to good use? It can be picked up for free at building RH 917. First come first served.

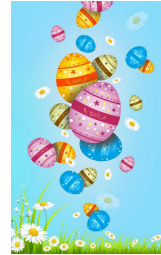

Culture menu May holiday activities 2025

Join activities in the participating museums of the Culture menu and go out in your May holiday!

Take a quick look through the link below to see what activities for children and families are available in the participating museums during the May vacation.
