## Notifications

### Daycare

#### **Parents can come in again**

From Monday 11th of April onwards, parents of the day-care centre, the playgroup and the after-school care centre may enter our childcare centre again. The parents can now say goodbye at the door of their group.

#### **Retirement Ria**

Mrs. Ria from the playgroup is retiring. Friday 22nd of April will be her last working day.

We thank Ria for all her years of dedication and wish her a fine and well-deserved retirement!

#### **May holiday**

The May holidays are almost here. The staff at the after-school care centres are ready for it. They have put together a new programme with different types of activities. From craft activities to exercise activities. And even a surprise trip to .....

### Education

#### **Excursion to goat farm 't Geertje**

During our EY IPC unit about pets and farm animals, the kindergarteners took a trip with the bus to the goat farm 't Geertje. Here we could see the animals and the way things are done on a farm.

It was a successful day with an extensive programme. We had a guided tour of the farm where we learned all sorts of things about the goats and the pigs, we visited

the cheese making area, we were allowed to bottle feed the lambs and ride a

pony. We also did a game circuit and ate pancakes for lunch. In the afternoon we had a scavenger hunt and a nice ice cream.

Our bus trip was made possible by the parents' contribution to the parents' council. The programme on the farm was financed by the school.

We also had a lot of help from parents who all accompanied a group of children. Thanks to everyone for this successful day.

### **Daffodil Action**

The daffodils have been distributed today.

We also had a lot of help at school with distributing the daffodils. We would like to thank all the parents who helped us! Also thanks on behalf of the Friends of the Eglantier.

With the proceeds we will organize a nice day out for all the children of the school. We also have a question from our gardener; when the daffodils have finished flowering, can you please return the bulbs to school. The

gardener will then place these bulbs in the garden around the school.

We hope everyone will enjoy them.

Good luck with the distribution.

### **Stockholm**

On Wednesday 20th of April, 25 employees of IKC De Eglantier are going to Stockholm on a study trip. We will spend 4 days there.

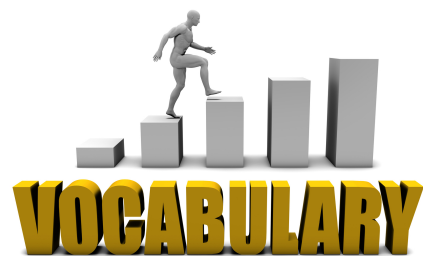

The topic we will be discussing is 'what is a learning focused school'. We will also visit an international school in Stockholm for one day.

We are looking forward to this trip which we have already had to postpone twice. We will let you know after the trip how it was.

### **Vocabulary with the children from the kindergarten**

During the extra vocabulary lessons this period, the kindergarteners participated in a number of activities about 'the farm'.

A lot of words and sentences are offered and repeated during these lessons. The goal is to get children talking as much as possible in Dutch.

### **Miss Ria retires**

Juf Ria is retiring. Her last working day is April 22nd. Last Thursday she was surprised by a number of colleagues with breakfast. When she arrived at school she was awaited by all her toddlers, parents and also the kindergarden groups were waiting for her. When she arrived at the school she was awaited by all her toddlers, parents and also kindergarden groups. After a nice day with lots of presents, she thought she was going home. But there was still a surprise. At the end of the afternoon there was a reception where colleagues, but also former colleagues came to wish Ria a well-deserved retirement.

Ria, enjoy it. We will certainly miss you, but you have more than earned it!

### **Merger Librijn schools in Tanthof**

Have you already heard or read about it? Two Librijn schools in Tanthof are going to merge. De Simon Carmiggelt and De Eglantier Tanthof will continue under one name from the 1st of August 2022.

We are looking forward to the new name and the new concept.

The school number of De Eglantier Tanthof will move to De Delftse Daltonschool. This school will get a new name, namely, Eglantier Buiten.

The new name and logo will be announced shortly.

The school will continue to offer Dalton education.
