Summer holidays preschool

The summer holidays are just around the corner and our toddlers are also having a well-deserved break! After a year full of play, growth and fun, we wish all toddlers and their parents a wonderful holiday. On Monday 1 September, we will open the

doors of the preschool again and be ready for a new school year full of fun!

BSO Lands - Summer festival!

This summer holiday, our BSO will turn into a vibrant festival site! With exciting outings, creative workshops and cool activities, it will be a summer to remember. Together, we will make it six fantastic weeks full of discovery, music, games and fun!

Theme 'Countries' at the daycare

At the daycare, we are travelling around the world this summer! The new theme 'Countries' has started. The children are discovering different cultures, customs and habits - just from our own familiar daycare. What a great way to spend the summer!

Farewell to Miss Hajer

After the summer holidays, we say goodbye to our dear colleague Miss Hajer. We are grateful for her dedication and commitment and wish her every success in the future. She will be missed!

Welcome Joyce!

On 1 September, we welcome Joyce to our team! Joyce will work at both the toddler centre and the BSO on Mondays, Tuesdays and Thursdays. We look forward to working with her and wish her a great start!

Education

School leavers

Another school year has come to an end, and grade 8 ended the year with an amazing musical: Play the game.

The 45 school leavers performed first for a few groups and grandparents and later for their parents. The final performance was a great success. We are going to miss these lovely children (many were here for 10 years) and we wish them much success and fun at their new school. Please visit us again.

Bye Jaivey, Timo, Proneel, Amélie, Netta, Anwar, Lee, Felix, Liam, Abdullah, Magnus, Rob, Ayaan, Sanah, Olivia, Annabelle, Eman, Aman, Mohammed, Sieb, Léo, Yunus, Tammo, Veronica, Aasiyah, Jonell, Meike, Boris, Shanaya, Veerle, Daan, Chance, Marcelina, Stefan, Liana, Vaishnav, Aarav, Bhuvnesh, Billy, Wadie, Iris, Guneet, Dominique, Beaudine, Dean

Furthermore, a number of children are going to move, to another school, etc. Bye Niek, Koen, Rylan, Tanush, Melina, Vincenzo, Shreyan, Hano, Fabian, Marly, Chelsea, Jerome en Maysa.

We also wish these children lots of fun and success at their new school.

Gardening

Like every year, the children of group 2 (led by the children of group 8) and the children of group 4 have been gardening weekly in their school garden next to the school. Mr Peter the gardener (as the children call him) provided seeds, beans, lettuce, endive, etc. to plant every week. He told the children how to sow and plant these, helped the children and kept the gardens tidy in between. As this is a big job, gardener Peter was helped by two parents. They too were on hand every week. Last year we had a lot of rain and a lot of snails, this year the drought was a challenge and every now and then a

snail came to eat the lettuce plants. Still, the children enjoyed going to their little garden and learned a lot. On behalf of us all, we would like to thank gardener Peter and the two volunteer parents for their efforts over the past period.

Farewell colleagues

This year too, we will unfortunately be saying goodbye to a number of colleagues.

Teacher Aad and teacher Yvonne Kaijer are retiring. After the summer holidays, teacher Aad will do some very nice volunteer work with the toddlers. Miss Hayley and Miss Christine are also leaving us. They have chosen to spend more time with their families. And then Miss Sandra Rodrigues, our specialist English teacher from MP3 has found another job closer to her home. We will miss our colleagues, but we wish them the best of luck and joy with their new plans. Teacher Kevin has also said goodbye. He filled miss Michaela's maternity leave from January. We thank him for the fine lessons. After the summer holidays, miss Michaela will return.

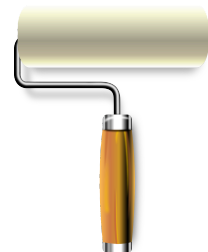

Farewell TSO staff

Last week we also said goodbye to a number of TSO staff. Miss Anita from group 7 helped us for 40 years with TSO, the library, sports day, flea market, etc. We thank her for her help and love for the children. Also Mrs Kunz, who has helped our school for 21 years with the TSO, the library, but also joined us for years as the cooking team of the working week. We thank the ladies for their enormous commitment and love for the children.

Miss Marianne, permanent TSO teacher for group 8, will leave us too. After 10 years of being on standby every afternoon, it is time for other things. Her daughter Tessa is also leaving us. She has helped out in various groups for the past six years. Thank you for your commitment and we wish you all the best.

Painting

During the summer holidays, our building on Ina Boudier-Bakkerstraat will be painted on the inside. A huge job. You will receive an invitation to come and see the result after the summer holidays.

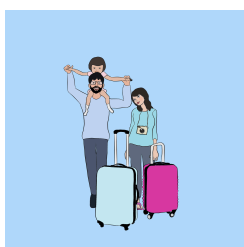

Ice cream party at school! 🍦

On Wednesday 9 July, all children at school were surprised with a delicious ice cream, arranged by the Parent Council. They were able to make this possible through the voluntary parental contribution. A cheerful ice cream truck drove into the schoolyard and everyone was allowed to choose their own ice cream. Allergies were of course taken into account so that every child could enjoy a carefree experience. The sun showed its best side and the atmosphere was great. What a nice and tasty end to the school year. On behalf of the children, thank you!

Gym shoes

As you know, the kindergarteners gym shoes have recently been brought home. Please provide good fitting sneakers with Velcro after the summer holidays, so that we can start PE again in the new school year. Please remember to put your child's name on them, so that we can keep and recognise them at school.

Social Schools

We have been working with Social Schools for several years. Next year, we will start using more features of the programme. After the summer holidays, you will be able to request leave via the app. We will also run the costs of tso through the app, so you can see when and what you have paid. We will also make more

use of the agenda from Social Schools.

Have you seen that you can also upload the agenda in your own calendar? Press the subscribe button.

Happy summer holidays

After a school year full of educational and fun activities, it is now time to recharge and go on holiday. We would like to thank everyone for a great school year, good cooperation and all the help with the various activities and group outings.

We wish everyone a happy summer holiday and we will see each other again in the new school year on Monday, September 1.

Summer programme at De Papaver

De Papaver has a fun summer programme for young and old.

There are fun and educational tracking and discovery tours, a summer safari, a birding excursion and much more. For more information, click [here](#).

DOK's best holiday reading tips for grade 8

From grade 8 to middle school? Then these are great holiday reading tips for your child.

These books are about high school life, or are popular with high school students:

The summer that was everything - Mariska Overman

The spider and the key - Anna Woltz

Shark Island - Rob Ruggenberg

Applause for my finger - Erik van Os

Gegijzeld - Chinouk Thijssen

More tips? DOK, the library in Delft, is open as usual during the summer holidays. Visit

DOK in OPEN, DOK Voorhof or the new DOK Tanthof branch.

Did you know that children up to 17 years old can join DOK for free? And that through DOK you can also borrow

free audiobooks and e-books from the Online Youth Library? Register your child quickly. See you at DOK!

Join the holiday reading journey! at DOK

Which book will your child go on holiday with soon? With Dolfje Weerwolfje to Griezeland or rather with a book of jokes to Laugh land? The holiday reading campaign keeps reading fun throughout the holidays. For every book read at DOK, the library of Delft, you get a sticker and even a nice present! Is your child also participating?

In the past few weeks, the children from group 3 and 4 have started the holiday reading campaign in the classroom and in the Vindplaats. They have already travelled to many fantasy countries. To conclude, they will receive the Holiday Reading booklet to take home.

How does it work?

- Travel with us and read a book in each country of a holiday reading

- Write in the Holiday Reading booklet which book you read and what you thought of it
 - Get a sticker from DOK for each book you read
 - Have you collected seven stickers? Then you will get a nice present!
- From 19 July, the stickers will be available at DOK in OPEN, DOK Voorhof and DOK Tanthof.
- For more info, visit www.vakantie-lezen.nl.
- Did you know that children up to 17 years old can become a DOK member for free? Register your child quickly.
- If you are already a member, you can also get free audiobooks and e-books at DOK. Enjoy reading and see you soon at DOK!

Go on holiday with the BiebBoys!

Is your child also taking part in the BiebBoys' summer challenge? Every summer holiday, the BiebBoys take on their big enemy: the Anti-Reader. This villain wants to destroy all books. Of course, that cannot be allowed to happen! Children from grades 5 and 6 get to know Kees and Joran in the Find spot. They call themselves the BiebBoys and they have all kinds of fun videos about reading and books on YouTube.

But if it is up to the Anti-Reader, all books will disappear from the world and will never be read again!

Summer Challenge

The BiebBoys can stop the Anti-Reader with the help of children. How? By joining the summer challenge with the BiebBoys Expedition booklet. This booklet will be given to all children of groups 5 and 6 before the summer holidays. If all the puzzles in the booklet are solved, the BiebBoys will be well on their way.

Scavenger hunt and tattoo

Do the children want to eliminate the Anti-reader completely? Then they can join the BiebBoys scavenger hunt in one of the branches of DOK, the library of Delft. By doing so they will earn a special BiebBoys Tattoo. On it is the final clue to catch the Anti-reader.

The BiebBoys programme aims to encourage children to keep on reading during the summer holidays. That is why the BiebBoys Expedition booklet contains book tips and links to free audiobooks, in addition to puzzles.

For books, comics and magazines, you can also always visit DOK, Delft's library. Check dok.info for addresses, opening hours and free activities. Or go to the Online youth library for e-books and audiobooks. Did you know that children up to 17 years old can become a free member of DOK? Register your child quickly. Have fun reading and see you soon at DOK!

Een zomer vol sport en spel

Terwijl velen van ons genieten van een onspannende vakantie zijn veel Wij West partners juist volop aan het werk om kinderen in Delft West - en elders in Delft - een fijne zomervakantie te bezorgen met leuke en leerzame activiteiten. Er is de komende weken van alles te beleven in onder meer Poptapark, Buitenhof en Tanthof.

Met dank  **aan deze partners:**
