### Autumn break at after-school care

The staff of the after school care are already busy preparing for the autumn holidays. This year the theme of the program is Hocus Pocus. It

promises to be a magical week full of exciting and challenging activities for the children!

You will receive the full program on September 27 via the parent app. We are really looking forward to it and hope that the children enjoy it as much as we do!

## Study day

On Monday, October 7, the school has a study day. Do you need childcare for your son or daughter? We kindly ask you to register your child via the parent app in time for the whole day care. In order to organize everything properly, it is important that the registration is received on time.

## Improvement meter: your opinion counts!

We use the improvement meter to evaluate the quality and satisfaction of our childcare. The improvement meter is sent randomly to parents. If you receive a request to fill it in, we would like to kindly ask you to do so.

Your feedback helps us to further improve the quality of our childcare. There is no fixed date for the measurement; it is conducted on an ongoing basis. We greatly appreciate your cooperation and thank you in advance for your time and effort!

## Expansion of our BSO: The Garden Bumblebee!

We are pleased to announce the expansion of our out-of-school care. As of November 4, we will open a new 7+ group, called The Garden Bumblebees.

Are you interested in a place for your child in this new group? If so, please inquire soon to reserve a spot.

For more information, please contact the supervisor, Richard van der Zwan, at 0655070087 or [rvanderzwan@kinderopvangmorgen.nl](mailto:rvanderzwan@kinderopvangmorgen.nl). you can also contact our placements department at 0707920130 or [plaatsingen@kinderopvangmorgen.nl](mailto:plaatsingen@kinderopvangmorgen.nl).

Or click on the following link for more information and to reserve a spot:

We look forward to giving The Garden Bumblebees a great time!

### **Message from the parent committee**

We start this year with a new member in the parent committee and because the new year has started we will introduce ourselves. We are Brigitte (mother of Sebastian), Renske (mother of Remus, Eleanor-Rose and Julius) and Chantal (mother of Fynn). Together with Richard, we meet 5 times a year to discuss what is going on in the KDV, BSO and PSZ. You can contact us with your questions and/or remarks. Are you interested in joining the OC? We are still looking for parents! Speak to one of us or mail to [oceglantier@kinderopvangmorgen.nl](mailto:oceglantier@kinderopvangmorgen.nl).

Monday, September 9, we held another OC meeting. Hereby we share a brief summary of what was discussed.

- Last summer vacation the BSO worked with a script for the first time with the theme 'Talent in the Tent'. Except for the big activities, the children could choose the activities themselves each day. This went down very well with the children, it was a successful summer vacation. The theme for the autumn vacation is already known: 'Hocus Pocus'. That will be magical!
- A number of new leaders will join the KDV. Insos started at the KDV as group leader on August 21.
- Carmen will take maternity leave on September 30.
- We also talked about communication between daycare and parents. This is not going badly, but there are also some points for improvement.
- The application for an additional BSO group (The Garden Bumblebees) has been approved.

4 times a year an OURA meeting is held by Morgen. The next meeting (Nov. 25) will be about childcare rates. We will receive an advisory request of fees in advance and will provide a response. We would also like to hear the opinions of other parents. Therefore, we would like to invite all parents who have children in care (KDV, PSZ, VSO/BSO) to attend the next OC meeting on Monday, October 14 to discuss these rates. We will start at 7:30 pm, walk-in 7:15 pm. We hope to see you then.

Do you have any questions or comments? Please email [oceglantier@kinderopvangmorgen.nl](mailto:oceglantier@kinderopvangmorgen.nl).

Greetings,  
Chantal, Renske and Brigitte

## Education

### **Volunteer wanted**

In the 2022-2023 school year we started at school with: Bouw! tutor reading. This is a computer program, where children practice learning to read extra with a tutor in order to avoid difficulties.

We have been able to find some volunteers to work on the program with the children at school over the past year. We are very happy with this. Once a week they come to practice one morning, which shows clear growth in the reading level of the children. Now we would like to add another volunteer to our team. Would you like to read with some children at school one morning a

week and do you have sufficient command of the Dutch language, please send a message via Social Schools to Daniëlle Kunz. Thanks in advance!

### **Wanted**

At the RH 917 building we are looking for a parent who would like to pick up 4 bags of play sand for us at the Gamma/ Praxis/ etc. Please contact your child's teacher if you are able to do so.

### **Workweek group 8**

Monday, September 24 is the day. All of group 8 is going on a workweek to the NIVON house de Bosbeek in Bennekom.

The preparations in class are in full swing.

We delve into the canon of the Netherlands, nature in the Veluwe and the life and work of Van Gogh and the liberation of the Netherlands. We also do sports and game activities.

It promises to be a fantastic week.

### **Coffee morning**

As a parent, do you sometimes feel that you are the only one struggling with problems you encounter with your child (at school)? Or are you looking for some recognition from the experiences of other parents? Maybe the coffee mornings are the perfect opportunity to share experiences with other parents and educational professionals from our school. The

topic for the first coffee morning is Children's Book Week, DOK and reading aloud. We would like to invite you to the first coffee morning on Wednesday, Oct. 2.

### **The OR introduces itself**

Dear parents and guardians,

Last school year, the Parent Council was able to purchase a beautiful new outfit for Sinterklaas and one costume for a Piet. Our lucky Piet is absolutely radiant, but the other Pieten would also like to shine in new costumes during the holidays! For this to be possible, we are making a warm appeal to our network, and that is you: the parents of our students. We are looking for companies or parents who want to help us by means of a sponsorship, so that we can also dress the rest of the Pieten in a beautiful new costume this year.

Do you have a company or do you know someone who would like to contribute to this initiative? If yes: we would like to hear from you! You can contact us via social school.

Kind regards,

The Parent Council of IKC De Eglantier

### **De vrienden van De Eglantier**

De Vrienden van De Eglantier Foundation was founded in 2014 by parents and teachers to support De Eglantier in realising projects that cannot be realised (entirely) from the normal budget, but are considered of great importance for Culture and Nature education at the children's centre.

If you are a Rabobank customer, you can vote for our Friends Of The Eglantier till 24 September.

We say: DO IT!

Yvonne den Haan and Linde Ras

### **Jeugdfonds Sport & Cultuur**

Jeugdfonds Sport & Cultuur makes it possible for children and young people from families with less money to take part in football, music lessons, gymnastics, street dance, judo, theatre lessons or another sporting or creative activity. For those children and young people, we pay the contribution/tuition fees and in some cases the necessities such as football uniforms or dance shoes. #### **Children's Book Week at DOK**

Playing hide and seek in the library, a drawing workshop or meeting author Jozua Douglas (you know, of the Costa Banana series!) in real life? During Children's Book Week Oct. 2-13, there's all kinds of things to do at DOK in Open and DOK Voorhof. Check out DOK's website for all the activities and stop by!

No time to stop by? Reading aloud at home is always possible and fun. Especially if your child can already read. Reading aloud helps children learn more new words and understand texts better. Here are three book tips for reading to children in grades 5 and 6:

- Atta by Jolien Janzing, about a headstrong girl who wants to go hunting.
- Rosie and Moussa forever by Michael de Cock, about two friends who like to do things that are not allowed
- Einstein. A mouse's fantastic journey through space and time by Torben Kuhlmann, about a mouse who wants to turn back time.

These titles and many more fun read-aloud books are available for loan at DOK!

### **Information from the scouting group Willem de Zwijger**

Do you like adventure, learning about nature, water and animals, and playing games? Then come visit us at Scouting Willem de Zwijger in Delft! We are a super cozy scouting group for boys and girls between 5 and 7 years. Every Saturday morning from 10:00 to 11:30 we experience the best adventures together in the Delftse Hout. Together with our scouting friends in Hotsjietonia we discover all kinds of fun things. For example, we learn how to build a hut, or how to bake super delicious cookies, which of course you can decorate yourself! Sometimes we also go on an exciting scavenger hunt. Would you like to join us? You are very welcome!
