### Daycare

#### Study days - Important information

We would like to remind you that you must register your child separately for childcare on study days via our parent app.

Even if your child is already scheduled for childcare from 3:00 p.m. to 6:30 p.m. on a regular day, you must submit an additional request for the morning hours (8:30 a.m. – 3:00 p.m.). This is because study days start at 8:30 a.m. Do you need childcare earlier? That's possible! You can make use of the VSO (before-school care), which takes place from 7:30 a.m. to 8:30 a.m. You will soon receive more information about the study days and the application period via the parent app. So keep an eye on the parent app for updates!

### **Walk-in Preschool Playgroup**

We would like to remind you of the opening hours of the preschool playgroup. The doors open every day at 8:15 a.m., and we have a walk-in period until 8:30 a.m. We recommend arriving on time so that your little one can settle in quietly and prepare for the day.

Please note: We start our daily schedule at 8:30 a.m., and after this time we cannot admit any children because we

begin our activities.

We greatly appreciate it if you arrive on time so that we can all have a pleasant start to the day for the toddlers.

### **Autumn holiday 'De-stress Express'**

Our staff are busy preparing a fantastic week full of fun, creativity and adventure! And what a special week it will be: you have signed up en masse, so we are almost fully booked every day. We think that's fantastic, of course! We can't wait to enjoy everything autumn has to offer with the children – from fun craft activities to exciting outdoor adventures. It promises to be a fantastic week!

## **Education**

### **School photographer**

The school photographer will be visiting on Friday 8 November. All brothers and sisters who attend our school will be photographed together during school hours. We will arrange this for you.

If you would like your other children, who do not attend our school, to be included in the photo, you can do so before school starts, from 7:30 a.m. More information will follow shortly.

### **Group 7's work week**

This week, group 7 went on a work week on Wednesday and Thursday. The children rode their bikes to Pijnacker. The children did various educational and fun activities, such as a treasure hunt through The Hague, singing songs around the campfire, playing board games, sports, and visiting a farm. Fantastic days.

### **Requested Autumn products**

For the daycare children, we are looking for autumn products such as chestnuts (wild and domestic), acorns, hazelnuts, beechnuts, pine cones, etc. Would you and your child like to help us collect these items? Please allow the nuts to dry on a towel before placing them in a bag, otherwise they will quickly become mouldy and we will not be able to use them at school.

### Halloween with the kindergarteners

After the autumn break, we will start our theme: "Time for a party". The first party is Halloween, so the kindergarten children are allowed to come to school dressed up on Friday 31 October. Please do not make the costumes too scary, no bloody costumes.

### TPO party in the square

As you know, the TPO bill has been approved and, after ten years of hard work, we can now call ourselves a bilingual primary school. Naturally, we celebrated this achievement together with many parents and carers. Below you can see a small impression of the celebrations.

 **TPO Plein 09-10-2025**

### Wanted

We are looking for someone who is willing to clean the students' toilets during lunchtime, for a small financial compensation. This applies to all three buildings. If you are interested, please contact Roshnie Bachoe via Social School.

### Mother Tongue Reading and Children's Book Week

Last Wednesday, we did Mother Tongue reading with the kindergartners and MP1. We had lots of parents and grandparents visit to read aloud in the mother tongue spoken at home. The children were divided into small groups and read aloud in many different languages.

Reading aloud is very important for the language development of (young) children. It helps them expand their vocabulary and improve their sentence structure. It also trains their listening skills and increases their enjoyment of listening to and later reading books themselves in this fun way. We would therefore like to thank everyone who came to read aloud and we hope to see you again next time.

### Invitation: Coffee evening at IKC De Eglantier

Dear parent(s)/guardian(s),

On Wednesday 5 November, we are organising a coffee evening!

A number of parents have indicated that it is difficult to attend during the day, so this time you are welcome to join us in the evening, from 7:30 p.m. to 8:30 p.m. in the IB

building (Ina Boudier-Bakkerstraat 2). The theme of the evening is Sinterklaas & Christmas.

During this meeting, we will tell you more about what these celebrations mean and how they are celebrated at our school. It is a great opportunity to meet each other, ask questions and share experiences - while enjoying a cup of coffee or tea. We hope it will be a pleasant, warm evening with many familiar and new faces.

Will you be joining us?

Kind regards, Adyam (brugfunctionaris)

### **News from the Participation Council (MR)**

Meeting date: 30 September 2025

Key points from the MR meeting:

New MR member: We welcome TP as a new member of the MR, replacing BG.

Flying start: The school looks back on a successful start to the school year, with a complete teaching team and a successful work week for group 8.

New language method: The team is working with the unanimously chosen TaalActief method. The analysis of the first results will follow shortly.

Focus on arithmetic: The results from June 2025 show that reading comprehension is on track, but that arithmetic in all grades is an area of focus for the coming period.

TSO funds expenditure: The MR is considering how to spend the extra TSO funds. A concrete plan must be in place by February 2026, with the school playgrounds receiving at least part of the funds.

Film crew at school: In connection with the upcoming approval of the new TPO bill, an RTL film crew will visit the school on 2 October to shoot a news item.

Next meeting: The MR meeting has been moved to 18 November 2025.

The full minutes will be available on the website after the next MR meeting.

### **Free library membership for those aged 27 and under**

From 1 September 2025, the Youth Membership will be free for everyone aged 27 and under at DOK, Delft's library. For more information, please visit the link below:

### **Cultuurbarbaren**

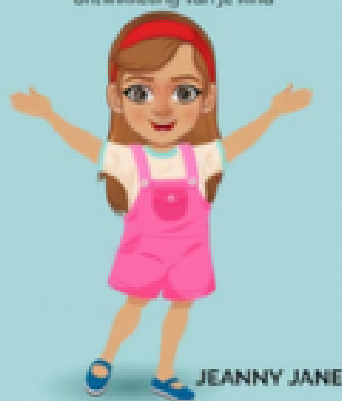

From Saturday, October 18, through Sunday, October 26 (the fall break), primary school-aged children can once again enjoy cultural activities in Delft at more than 25 locations throughout the city. This year's theme for Cultuurbarbaren is "Unknown Territory." The theme ties in with Children's Book Week and perfectly encapsulates what Cultuurbarbaren stands for: discovering culture by doing, experiencing, and living it, with more than 225 activities.

The complete program can be viewed on the updated website [www.cultuurbarbaren.com](http://www.cultuurbarbaren.com). All children also received a paper program booklet this week.

## Thema-avond over Social Media

Een interactieve avond over tieners en mediawijsheid  
met uitleg van Bureau Jeugd en Media

Hoe kun je je tiener helpen goed om te gaan met games, sociale media, sexting, online shaming, cyberpesten, groepsdruk en de afleiding door smartphones bij het maken van huiswerk? Wat moet je weten over Snapchat en TikTok en alle andere apps die veel gebruikt worden?

Freek Zwanenburg, directeur van Bureau Jeugd en Media, gaat met u in gesprek en biedt kennis en concrete handvatten.
