**Introducing a new colleague and saying goodbye to our permanent substitute employee.**

We are pleased to introduce our new colleague: Carolina! From Monday 2 December, she will start at our childcare centre at the KDV. Her working days will be Monday, Tuesday, Wednesday and Friday. Carolina is looking forward to meeting you and your children. Via the parent app, you will soon

receive a message from her introducing herself to you personally.

With Carolina's arrival, we unfortunately also say goodbye to Seycan. We would like to thank her immensely for her loving efforts and commitment over the past period.

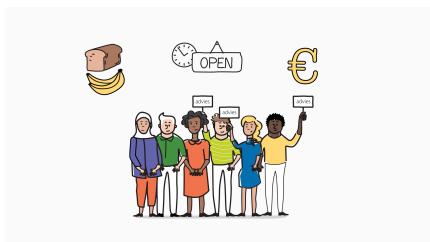

We hope you will join us in giving Carolina a warm welcome and wishing Seycan every success in her future endeavours.

### **BSO Christmas holidays - Theme: Home Alone at the BSO!**

This Christmas holiday the theme at the BSO will be Home Alone! You have received our holiday programme in the parents' app. It promises to be another fantastic holiday with fun and surprising activities.

You haven't signed your child up yet? No problem! You can register your child until Sunday 8 December.

We look forward to making it a great holiday together!

### **Message on behalf of the parents' committee.**

On Monday 11 November there was another OC meeting. We would like to share with you what was discussed.

The OC had organised a tariff discussion for the parents. Unfortunately, this meeting was not well attended. Further on in the newsletter you will find the message from Morgen about the rates.

For the OC, it would be nice to have some more parents there. We are still missing parents of children who attend playgroups. Here's an appeal: are you interested? Mail to [oceglantier@kinderopvangmorgen.nl](mailto:oceglantier@kinderopvangmorgen.nl).

We discussed Jill's departure. There is a vacancy for her position.

A new employee, Carolina, will start at the KDV next week. At the BSO, Fatma has started.

A number of parents completed the Improvement Meter questionnaire. There was a lot of positive input from parents and parents are generally satisfied. There was some feedback on the nutrition policy. We will discuss this topic in a bit more detail at the next OC meeting.

The next OC meeting will take place on Monday 3 February 2025. You are welcome to attend it. Do you have any questions or comments? Please email [oceglantier@kinderopvangmorgen.nl](mailto:oceglantier@kinderopvangmorgen.nl).

Greetings,

The Parents' Committee (Brigitte, Renske and Chantal)

### **Childcare in 2025**

The 2025 rates are known. Although costs will rise in 2025, the childcare allowance will not be fully adjusted. Nevertheless, there is good news for families with an income between about €29,400 and €159,200. For this group, the co-payment will be lower and for the other groups, unfortunately, slightly higher. This is the result of a choice made by the new cabinet. Curious what childcare will cost in 2025? Calculate it easily with the calculation tool on our website:

<https://www.eglantierdelft.nl/ouders/bereken-kosten>

Want to know what the options are? Daycare, toddler care and/or out-of-school care? Take a look at our website: <https://www.eglantierdelft.nl/kinderopvang>

### **Education**

#### **Handing in surprises**

Just a reminder: the children of groups 5 to 8 should bring their prepared surprises to school on Monday 2 December. An exhibition will be made with these. On Tuesday 3 and Wednesday 4 December the groups can look at all the surprises.

On Wednesday 5 December the children will unwrap the surprises in their own group.

### **Sinterklaas party**

On Thursday 5 December we will celebrate the annual Sinterklaas party. All children should be brought to the playground of the IB building at 8.15 on this day. They will gather with the teacher. Parents wishing to watch can do so at the sides of the playground. All groups are at the front in order of age. The children do not need to bring food and drinks with them on this day. These will be provided. At noon, all children are free. The school is closed in the afternoon. If you are not picking up your child yourself, please also inform the people who take care of your kids, BSO, etc. of this. Children can be picked up from the building where they normally are.

### **Christmas musical**

To the parents/guardians of students from groups 1 to 8,

In a few days the holiday weeks of December will be here again. The Christmas working group is also actively working at IKC De Eglantier.

This year it will be a special Christmas. We invite all students and their parents/guardians to come and see a Christmas musical on Monday 16 December!

We chose the musical: "The Snow Queen".

The musical is performed by all employees of De Eglantier in the hall of Stanislas College at De Krakeelpolderweg 1 Delft.

Part of the costs of the working week of the current groups 7 and 8 are paid from the proceeds from ticket sales, lottery and restaurant.

Not only can you come and see the musical with your child(ren), but there is also a restaurant with delicious snacks, made by the students of groups 7, 7/8 and 8. You can pay for these snacks in cash or via a QR code. You can also buy lottery tickets in the weeks before and on December 16, preferably with cash money.

In this letter you will find the first information about this atmospheric Christmas celebration.

The performance is on Monday, 16 December. In the afternoon the children are free from 12 noon.

-The hall is not large enough for all students and their parents/guardians. That is why there is an afternoon program from 3:45 PM for students from groups 1 to 4 and their parents.

-The evening program for students from groups 5 to 8 and their parents starts at 6:30 PM.

Do you have children in both age categories? Then you can choose when you visit the musical.

Unfortunately, it is not possible to bring grandparents, other family members or friends (unless one of the parents cannot come).

All parents/guardians receive an envelope (with your child's name + group). Would you like to return this envelope to the teacher of your eldest child together with the entrance fee?

The entrance fee is €2 per person, also for your child.

Only parents are welcome.

Unfortunately it is not possible to take babies and very young children.

Would you please write on the envelope whether you are coming in the afternoon or evening?

We would like to receive the envelopes with slips before Monday, December 2!

You will receive the entrance tickets shortly afterwards.

On Friday, December 20, the lottery prizes will be drawn and there will be a Wheel of Fortune. Many raffle tickets will soon be sold by the students of group 8! On Friday December 20, the prize draw will take place at 11.30 am at the IB building. The children from RH will also be there at 11.30 am, you can pick them up there. The children are free in the afternoon.

### **Christmas Activities**

Thursday, December 12 and Thursday, December 19 from 8:30 to 10:30 we will do different Christmas activities with all groups. The children from group 3 to 8 can choose from different creative techniques. Will you also come to help? The group teachers will invite you via Social Schools.

### **Smoke-free schoolyards**

Besides a (traffic) safe situation around the school buildings, we also value a healthy environment. Therefore, we would like to remind you that our schoolyards are smoke-free. When you bring/pick up your child, please do not smoke in our playgrounds or near the playgrounds, such as the pick-up area or drop-off area. This way we keep it healthy for all children and set a good example. Thank you for your cooperation.
