Notifications

Daycare

Sinterklaas party 5 December

On Monday 5 December, all groups will celebrate Saint Nicholas Day. Extra fun activities will be organised on this day.

The toddlers in the Tuesday/Friday group may come extra on this day. You will receive more information in the parents' app

Photo shoot 13 December

On Tuesday 13 December, a photographer will come to all groups to take photos of both the children and the masters and teachers. The photos will be used for the website and social media. Your child will only be photographed with your permission.

Margin middays, BSO opens earlier

Monday 5 December: BSO from 12:00

Thursday 22 December: BSO from 12:00

Friday 23 December: BSO from 12:00

If you would like to make use of these margin middays, please do not forget to register your child.

Education

Information evening 'Like and Cancel'.

'Like and Cancel' information evening for parents

On Wednesday 9 November, an information evening 'Like and Cancel' was organised for parents of pupils in grades 5 to 8.

Because it is impossible to imagine our society without social media nowadays, Media

Literacy Week has been on our school's agenda for some time now.

This time around we had an interesting presentation by Sylvia Dijkshoorn for parents.

Although many parents had signed up, attendance was low.

This is a missed opportunity, as the subject has become an integral part of growing up with children.

As a parent, you are going to have to deal with this, sooner or later.

And then the question is: Do you know what your child is doing on the internet?

Next school year, this topic will be on our agenda again.

Bee-Bot workshop

On Monday 14th of October, group 4 had a Bee-Bot workshop. This workshop fitted perfectly into our IPC unit 'magic media, communication'. A Bee-Bot is a child-friendly robot, shaped like a bee. In a playful way, the children learned to programme this robot. They did this by giving the Bee-Bot various instructions to follow a route. The workshop was conducted in English and was made possible by voluntary parental contributions.

Sinterklaas party

On Monday December 5, we will celebrate the Sinterklaas party. All children are expected on the square of the IB building between 8.15 and 8.25 am. Please bring your child to the teacher who will be standing outside on the square. If you want to stay and watch, you can, but only on the side of the school square. The square itself is for all classes with their teachers so that all children can have a good view of what is happening.

The children do not need to bring food and drink to school on this day, this will be taken care of. At noon the children are free. You can collect your child again from the building where your child is normally seated. If you will not be collecting your child on this day, please do not forget to inform the childminder, BSO, grandparent, etc. who will be collecting your child.

If your child normally attends the BSO of our IKC at 15.00 on this day and you would like your child to go as early as 12.00, please remember to register your child on time. See care information at the top of this newsletter.

Wanted : help parents

We are going to make Christmas cards with linoleum with groups 6 to 8

Who wants to help us cut linoleum (6-9 December)?

Or would like to help during the making of the cards (12 to 16 December)?

We could really use your help! Please contact teacher Els

e.harpman@librijn.nl

Christmas dinner

Please make a note in your diary: Thursday, 22nd of December, the children will be free at 12 noon.

Around 5pm, all pupils will return to school in their best party clothes to enjoy Christmas dinner together.

Everyone will bring something tasty, so the group will have a delicious Christmas buffet together.

How nice that we can organise this again after the Corona years!

You will receive more information about the Christmas dinner and other Christmas activities in a few weeks' time.

Wanted: parents willing to help with library work

We are looking for parents who would like to help with Library work at the RH buildings in the future. If you are interested, please register with Miss Kirsty using the email address below: k.dendulk@librijn.nl
