## **Parents' committee**

On Tuesday 6 December, the last meeting of the Parents' Committee (OC) Kinderopvang Morgen for the year 2022 took place. We decided to give you a brief update on some of the issues discussed after each meeting:

- We met with the Participation Council (MR). There are many common interfaces. It was decided to meet semi-annually;
- Planning for the 2022-2023 school year will be discussed with all staff during the study day on Wednesday 25 January 2023. Based on the outcomes, the planning will be adjusted and finalised;
- Our comments on the vision document were discussed. The vision document describes how the cooperation between Kinderopvang Morgen and Stichting Librijn Openbaar Onderwijs will be shaped;
- The staffing in the groups looks pretty good considering the circumstances;
- It has been a while since the OC organised a coffee moment or theme evening. It was decided to link up with the moments and evenings organised by the MR. We will share the dates with you via Connect;
- Wednesday 25 January 2023 will be an IKC-wide study day. All groups will therefore be closed then. A reminder will be sent to parents soon;
- On Tuesday 13 December 2022, a photographer came over to shoot new footage for Kinderopvang Morgen's website and social media channels. Parents have been informed of this and have been asked to fill in a consent form.

Do you have any questions or comments? Please email [oceglantier@kinderopvangmorgen.nl](mailto:oceglantier@kinderopvangmorgen.nl).

## **Education**

### **Christmas activities**

On Monday 19 and Tuesday 20 December, we will make Christmas decorations with all groups. Your child may bring decorations for this; if you bring lots of items, your child may be able to share them with a classmate. Of course, we will also provide decorations ourselves. Do you have beautiful Christmas greenery in your garden and would you like to donate some branches to school? We would be delighted!

On Monday 19 December, all children will bring a bag containing a plate, cup, fork, knife and spoon. Please mark the bag as well as the crockery and cutlery with your child's name. They will need this on Thursday 22 December for the Christmas dinner at school.

On Thursday 22 December, all children are free at noon! They will then return to school at 17.00 for the Christmas dinner. We are also asking everyone to make something tasty for this Christmas dinner so that we can make a festive Christmas buffet in the group. For this, the teacher will send a sign-up list through SchouderCom in which you can sign up with what you are making. Please mention what the ingredients are when preparing

the dishes, because of allergies and diets.

For the children of buildings RH 917 and RH 919 the Christmas dinner is finished at 18.30, parents have to pick up their child at RH 917 and RH 919. For the children of the IB-building the dinner is also finished at 18.30.

Everyone (parents and children) will go to the square of the IB building. There, at 18.45, we will have a festive closing with all children and parents/guardians. At 19.00, all children go home.

On Friday 23 December, the children attend school until 12.00. The school will be closed in the afternoon. The daycare centre will be open. The Christmas holidays begin!

**Vrije middag  
om 12u vrij**

### Invitation to parent(s)/carer(s)

For the past 2 years, we have missed welcoming parents into the school. We have had to hold or celebrate activities without you.

We want this to change again.

We invite you to come together during the Christmas dinner and meet other parents in the schoolyard of building IB.

We will provide snacks and drinks, not to mention music.

We hope to see you there!

# Volunteer's Needed!

### Volunteer wanted

Last year, we started a new programme at school: Bouw! tutor reading. This is a computer programme, where children practice learning to read extra with a tutor in order to avoid difficulties.

We were able to find some volunteers to work on the programme with the children at school last year. We are very happy with this. Once a week, they come and practise one morning, which shows clear growth in the children's reading level. Now we would like to add another volunteer to our team. Would you like to read with some children at school one morning a week and do you speak Dutch well enough, please send a message via Schoudercom to Daniëlle Kunz. Thanks in advance!

At our school, we are further developing the libraries. The library on Roland Holstlaan will undergo a major metamorphosis in January.

So that the children and teachers can again use new books, but also to have a nice reading environment.

For this, as well as for the IB building, we are looking for parents who can help us lend the books. Are you interested or would you like to know more about what it entails? Please send a message to Miss Kirsty in [schoudercom](#).

### **Social skills training**

A social skills training course will start after the Christmas holidays, organised by Doel Prevention of GGZ Delfland. The training is aimed at children aged 8 to 12 and there are still some spots available.

Start: Tuesday 17 January 2023 (7 meetings)

Time: 15.30 to 17.00

Where: Buurthuis Het Voorhof, Herman Gorterhof 165 in Delft

Cost: Free

If you would like to register your child, please send a message via [shouldercom](#) to Daniëlle Kunz, internal supervisor.

You will then receive a form with which you can register your child.

### **Coffee morning**

Another coffee morning was held on Wednesday, 7th of December. Over a cup of coffee, we discussed discussion topics that are on the minds of parents.

We plan to discuss these issues during coffee mornings in 2023.

Parents expressed interest in the issues:

How do I help my child read? How do I help my child if he or she has lice? What does a parent council and a participation council do?

How can I ask for help from school or outside agencies, if I have a help request about my child? How can we learn more about each other's culture and religion?

Thank you very much for thinking along with us.

As a result of the topic brainstorming, we have invited Ms Danielle to the next coffee morning on Wednesday, 11th of January, from 8.30 to 9.30.

Miss Danielle is the internal supervisor of our school. During the next coffee morning, she will present what responsibilities she has in our IKC and talk with parents. She will explain how, when parents, teachers and/or the child have a request for help, she works to find a suitable solution together.

We also hope to see you again on the 11th of January at the RH building.
