### Daycare

#### Christmas holiday

Although this Christmas holiday was different from other Christmas holidays, we made the best of it. We played different kinds of winter games and we did a scavenger hunt through the

neighbourhood. In short, 2 very nice weeks.

## **Education**

### **Error in the calendar**

In the calendar of the IKC there is a study day on Wednesday 26 January.

This study day is for education and daycare together. This means that not only the school is closed, but also the daycare centre. In the calendar it says that the daycare is open. This is not correct.

### **Registration brothers/ sisters**

If you already have one or more children at our school, please be quick in registering brothers and/or sisters. Our registration list for children turning 4 before 1 October 2022 is already full. You can only put your

child on the waiting list. This means that your child can only be placed if a place becomes available. If your child was born on or after 1 October 2018, there is still room on the waiting list. You can send an email to [directie@eglantierdelft.nl](mailto:directie@eglantierdelft.nl)

### **Open day**

Do you know anyone who is looking for a school? Prospective parents can register for the open day on Wednesday 19 January. The open day is from 9.30h - 11.00h and starts at RH 919. They can sign up by sending an email to

[directie@eglantierdelft.nl](mailto:directie@eglantierdelft.nl)

### **Wanted**

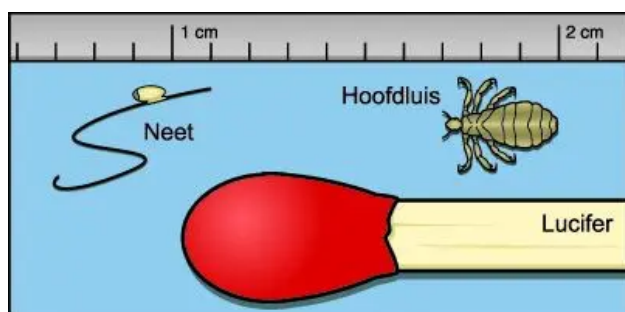

Do you still have old trousers, pants and leggings? Both for boys and girls. We can make good use of them for the kindergarteners. Our bins with clothes for when children have an 'accident' are very empty.

If you have any school clothes lying around at home, please wash and return them to school. That way we have enough spare clothes when we need them at school.

### Looking for someone who wanted to clean the toilets

We are looking for someone extra to help at our school with cleaning the toilets at noon each day. Especially during this corona pandemic, we find it important to ensure we keep things thoroughly clean. We will pay a small sum of money for this. If you or someone you know is interested, please let us know by sending an email to [n.sheikhholeslam@eglantierdelft.nl](mailto:n.sheikhholeslam@eglantierdelft.nl).

### Head lice

Due to the Corona measures, checks for head lice are currently no longer carried out after the school holidays. Please check your child regularly at home. Head lice have been found again in several buildings recently. If your child has head lice or nits you can treat it with special shampoo,

available at chemists and pharmacies. Also daily combing with a lice comb is recommended. Please also inform the teacher.

### Arriving late

Lately we have noticed that children are regularly late for school again. It disturbs the concentration and the working atmosphere in the classroom. Please ensure that your child is at school on time, so that lessons can start on time and undisturbed. The children can come in from 8.15 am. Classes start at 8.30 am. Please ensure that your child is at school before that time.

Hanging up a coat and bag and washing hands also takes time. This also applies if your child starts in the gym. Please take into account the time your child needs to change clothes.

**Parents' council (OR)**

The overview of the annual accounts of the past school year and the budget of this school year are available for perusal on the website. If you have any questions about this, please send an email to [ouderraad@eglantierdelft.nl](mailto:ouderraad@eglantierdelft.nl).
