GGD visit to playgroup

On Thursday 26th of January, the preschool had its annual GGD check-up. Everything was in order! The visit for the daycare centre and both after school care locations still needs to come, but we don't know when. The GGD always comes unannounced.

Closing national reading days

For the closing of the National Reading Days, there was a theater performance for the children of preschool and nursery on Friday, 3rd of February 2023. It was a great success. The children enjoyed it immensely.

Free afternoon 24 February

On Friday, 24th of February, school will be open until 12:00. As after school care (BSO), we will open at 12:00pm on that day. If you would like to make use of this free afternoon, please do not forget to register your child. If your child normally comes on Friday but does not need a study day, please sign your child(ren) out.

Spring break

The after school care (BSO) is almost ready with its spring break programme. The theme is Spring jitters. We will be at the IB building on Mon-Thurs this holiday. We will be there from 09:00 to 17:00. Outside these times we will be at the RH building. Further information will be given to you via the app.

Parent Committee

The first OC meeting of the year 2023 is already a fact and took place on Tuesday, January 17. We would like to share with you all what was discussed.

- For the OC it would be nice to have some more parents. We are still missing parents of children who are in the BSO program and parents of children who are in the playgroup. Here is an appeal: Are you interested? Mail to oceglantier@kinderopvangmorgen.nl.
 - The New Year drink turned out to be a successful evening. Many parents came by and enjoyed talking and getting to know each other.
 - There is not an acute staff shortage problem right now, but with the long waiting list and tightness it would be nice to have another staff member.
 - For the KDV, a number of parents filled out the Improvement Meter questionnaire. Few complaints were received and parents are generally satisfied with the KDV.
 - On Tuesday, December 13, a photographer came by to take new pictures for the website and for promotional material. It was a successful day. The photographer liked it and he was fun with the children. The pictures turned out very nice. Take a look at the website.
 - On Wednesday, January 25, the IKC study day took place and all employees were looking forward to it. Tessa made a vlog about a day at the KDV/IKC and showed it during the study day.
- Do you have any questions or comments? Please email oceglantier@kinderopvangmorgen.nl.

Greetings,

Parents Committee Kinderopvang Morgen (Brigitte, Renske and Rukiye)

Education

Healthy eating

Lately, we have noticed that there are questions and uncertainties regarding bringing food during the morning snack and lunch. As a school, we promote healthy eating, which is why we encourage all children to bring fruit and/or vegetables for their snack. This means that the snack the children eat during the morning break is fruit/vegetables (no bags of applesauce, squeeze fruit, etc.). We often see children carrying a biscuit or something else in addition to this. To avoid confusion, please only provide fruit/vegetables for the morning break. For younger children, please peel and chop if

necessary.

During lunchtime (lunch break), we also ask that your child does not bring biscuits, sweets or other treats. Products such as Sultana and gingerbread are

actually packed with sugar and contain little fibre and other useful nutrients. Hence, as a school, we do not want this.

School play EY

As you know, the kindergarten groups will soon be performing their play. Below is a reminder.

Group A and D are expected at school at **5pm**, the play starts at 5.15pm. The children enter through the English room and are expected in group 7/8. Parents may immediately take their seats in the hall.

Afterwards, please leave the IB building through the main entrance.

Group B and C are expected in school at **6.30pm**, the play starts at 6.45pm. The children enter through the main entrance and are expected in Group 5's classroom. Parents may immediately take their seats in the hall. Afterwards, please leave the school through the main entrance.

Two people per child are allowed to come and watch. Children younger than 4 years old has to stay at home.

Staff announcements

Miss Naji is unfortunately leaving our school. Besides our school, she also had another job where her working hours are now being extended, making it no longer possible for her to work with us as well.

We will miss her and wish her every success.

Fortunately, we can also welcome a new team member.

Mr Peter is coming to fill Miss Naji's vacancy.

Welcome Mr Peter!

Miss Inbal joined our school this school year in group C.

Unfortunately, she has been absent for some time. She has therefore taken the decision to leave our school. We wish Miss

Inbal good luck and success in the future.

As you may know, Miss Theodora is pregnant. She can now take it easy as her leave has started. We wish her the best of luck and strength with the final stretch.

NLDOET

NL-do day

On Friday 10 and Saturday 11 March it is again NL-doet day.

On March 10 and 11 the Oranje Fonds, together with thousands of social organizations in the country, organizes NLdoet again; the largest volunteer action in the Netherlands. NLdoet puts volunteer work in the spotlight and invites everyone to make a difference and to make a difference!

Also at IKC De Eglantier we want to work on Saturday, March 11 with volunteers to do 1000-and-one jobs to refurbish the school. The activities will mainly take place outside, so safe.

Who can come and help us? Parents of students of course, but also people around the school!

We have all kinds of fun jobs!

- painting lines in the schoolyard
- repair bicycles, scooters, unicycles
- mosaic sign repair
- distribute wood chips
- putting together cabinets
- hanging up lines
- driving to Avalex with stuff

Who is coming to help us on this Saturday, March 11? Even an hour of help is very nice!

You can mail your application to y.kaijer@eglantierdelft.nl

Parents' room

On Monday, 20th of February, you are welcome to attend the parents' room in the auditorium of the MGR Bekkers School.
